

**Interactive education:
EIMSED e-learning starts now!**

EIMSED launches its first e-learning program on their online platform My EIMSED which is based on the EIMSED Type 2 Diabetes Symposium held in Saalfelden/Austria on November 13 to 15, 2009. My EIMSED is currently free of charge – physicians can simply register online at www.EIMSED.com and participate in the e-learning courses. [See more ...](#)

**Review:
EIMSED's first educational meeting**

The EIMSED Type 2 Diabetes Symposium took place in Saalfelden/Austria on November 13 to 15, 2009. The first educational meeting following the EIMSED signature concept focused on effective treatment and care of type 2 diabetes patients in practice. [Read more ...](#)

About EIMSED

The European Institute for Medical and Scientific Education (EIMSED), founded in 2008, is an international non-profit association offering certified and state-of-the-art continuing medical education (CME). [Read more ...](#)
